OUR SPACES

Main Dining Room

On arrival, you will be greeted by the grand 6 Hamilton Place staircase which flows into the main restaurant.

The elegant art-deco space, with bar and vintage wine cellar, can accommodate private dining for 60-100 guests seated or up to 150 standing.

Family Room

Situated just off the main dining space, our hidden Family Room provides the idyllic setting for a more personal affair. With space to fit up to 33 seated guests or up to 50 standing, the Family Room can be transformed and tailored by our team to suit your private-dining needs. For the ultimate private experience, this room has a private entrance and its own bathroom.

The family room can be set up in a number of different ways in order to accommodate your guests. The room can be divided into two for smaller parties, and where the party size exceeds single room capacity, we can remove the dividing panel to join both rooms whilst still maintaining a completely private space away from the main restaurant.

Whole Family Room

For larger parties requiring the whole family room, we can create a boardroom table-style setup for up to 25 seated guests, or up to three round tables if seated guests exceed 26*.

**This setup can accommodate a maximum of 33 seated guests or 50 standing guests*

Half Family Room

The room can be divided into two with a dividing panel with a round table setup for up to 12 guests seated, or 20 guests standing.
